

L'investissement japonais en France

- **En stock, 10,6 Md EUR investis (1.800 Md JPY), soit 3% du total des IDE japonais dans le monde et 2% des IDE en France (le Japon est à la 11ème place des pays investisseurs en France)**
- **En flux: 0,4 Md EUR investis en 2004, 0,5 Md EUR en 2005, 0,7 Md EUR en 2006, soit environ 1% des IDE entrant en France, ce qui place le Japon en 12ème position environ des pays investisseurs en France**
- **La France est la 3ème destination des IDE japonais en Europe après les Pays Bas et le Royaume Uni**
- **45.000 expatriés japonais vivent en France**
- **La concurrence des pays d'Europe orientale et d'Asie dans l'attraction des IDE est forte, mais on constate peu de désinvestissements japonais de France**

Le Japon : 4ème investisseur en France

- environ 400 entreprises
- 650 sites répertoriés sur enquête
- 60 000 emplois
- 3000 nouveaux emplois décidés au cours des deux dernières années
- n° 1 dans la zone euro
- présence ancienne, depuis plus de 20 ans

Japanese companies' R&D centers in France (1)

| Company Name | Sector | Region | P | Research Field |
